

# END CAP DISPLAYS

## PLANT DISPLAYS

Two (2) EC7001 units with casters shown with one (1) PX7001 with casters

Two (2) EC7020 units shown with one (1) PX7021 double tri-step display

Our new end caps for the Evolutions series are configured to match up with their corresponding display! They still feature expanded metal benchtops, galvanized steel construction for strength and durability and are now also available with optional casters. Use them by themselves in many configurations or with displays to feature and merchandise your product. End caps are also great for sale items or as a focal point from which you can attach signage.
