

BENCH-MART SR®

The perfect size to begin selling live goods, the Bench-Mart SR is designed to sell an enormous amount of product without disrupting traffic flow in your parking lot. The 17' width usually fits in the length of just one parking space (about 18'). Easy, snap button assembly and great features will have you up and in top selling shape in no time!

FEATURES

Polyethylene Film Choices: Choose from white or clear poly film with Wiggle Wire® attachment system.

Hold Down System Selection: Choose from water tubes or spikes for secure structure placement.

Center and Side Benching Included: Built-in side and center display brackets and standard bench tops ensure you can start selling quickly.

Hanging Basket Purlins: Structure comes with four runs of hanging basket purlins and attractively displays baskets conveniently within your customer's reach.

Double Sliding End Door: Space saving sliding door measures six feet wide and provides ample room for customer and cart access.

Slide-Side Ventilation: Constructed of 8mm commercial grade polycarbonate sheeting, our Slide-Side Ventilation helps you easily control the climate and airflow of your structure.

Snap Button Design

Simple and strong.

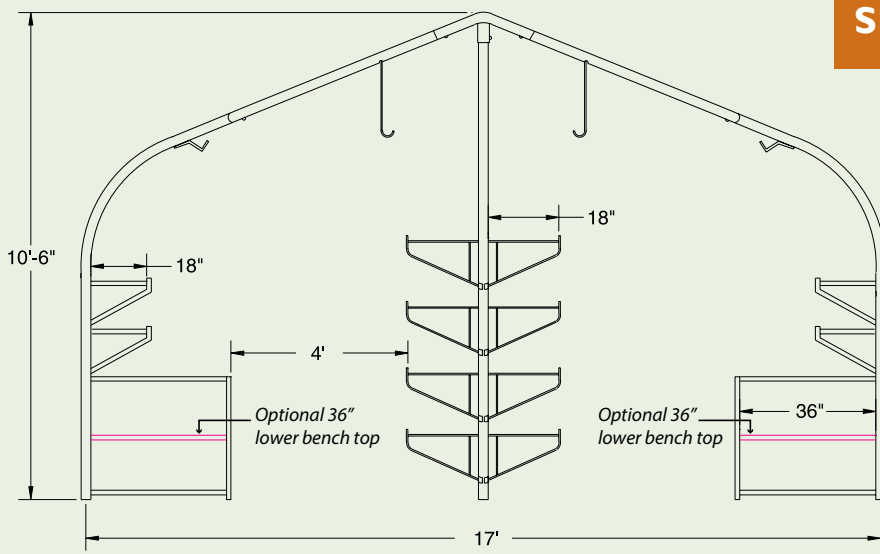

Our snap button connection system, decreases your set-up time and provides added strength.

EZ Sign Holder

Quickly attaches to any of our bench tops.

A variety of merchandising options (stand-alone, table top, stake, etc.)
