

PACK MULE ELECTRIC UTILITY VEHICLES PERSONNEL CARRIER 325 NXG SERIES

WHY CHOOSE US?

Our NXG Personnel Carriers provide rapid transport in multiple configurations including cargo and towing capability. Whether you need to move staff, supervisors or VIPs, Pack Mule's Personnel Carriers are designed for years of safe, comfortable and reliable operation in all environments.

We've been helping manufacturers and distributors move materials horizontally for more than 60 years, and we've learned what customers need to get the job done. That's the reason we build PACK MULE to a higher standard—and why we encourage you to test them in your facility, doing your work.
